

SYMPOSIUM FACULTY

COURSE DIRECTOR

Gregory W. Albers, MD

*Director, Stanford Stroke Center
Coyote Foundation Professor of Neurology and Neurological Sciences*

GUEST FACULTY MEMBER

Louis R. Caplan, MD

*Professor of Neurology,
Harvard Medical School*

STANFORD STROKE CENTER FACULTY

Robert Dodd, MD, PhD

Assistant Professor, Neurosurgery

Maarten Lansberg, MD, PhD

*Assistant Professor of Neurology
and Neurological Sciences*

Michael P. Marks, MD

*Director of Neuroradiology,
Stanford Stroke Center
Professor of Radiology and Neurosurgery*

Neil E. Schwartz, MD, PhD

Clinical Assistant Professor of Neurology and Neurological Sciences

Gary K. Steinberg, MD, PhD

Bernard and Ronni Lacroute-William Randolph Hearst Professor of Neurosurgery and the Neurosciences

Director, Stanford Institute for Neuro-Innovation and Translational Neurosciences

*Chairman, Department of Neurosurgery
Stanford University School of Medicine*

Chitra Venkatasubramanian, MBBS, MD, PGDip

Clinical Assistant Professor of Neurology and Neurological Sciences

STANFORD
STROKE
CENTER
20th Anniversary

HOSPITAL & CLINICS

PROGRAM

8:30 am	Registration and Continental Breakfast	12:00 pm	Lunch
9:00 am	Welcome and Announcements <i>Gregory W. Albers, MD</i>	1:30 pm	Current Management of Acute Ischemic Stroke <i>Maarten Lansberg, MD, PhD</i>
9:10 am	The Evolution of Stroke Therapy: Video excerpts from the past two decades	1:50 pm	Current Management of Intracerebral Hemorrhage <i>Chitra Venkatasubramanian, MBBS, MD, PGDip</i>
9:30 am	The Future of Cerebrovascular Neurosurgery <i>Gary Steinberg, MD, PhD</i>	2:10 pm	Current Management of Cerebral Aneurysms <i>Robert Dodd, MD, PhD</i>
10:00 am	The Future of Interventional Neuroradiology <i>Michael P. Marks, MD</i>	2:30 pm	Refreshment Break
10:30 am	Refreshment Break	2:50 pm	Current Guidelines for Stroke Prevention <i>Neil Schwartz, MD, PhD</i>
10:50 am	The Future of Vascular Neurology <i>Gregory W. Albers, MD</i>	3:20 pm	Questions and Answers <i>All Faculty Members</i>
11:20 am	Keynote Address: It's the Matter that Matters <i>Louis R. Caplan, MD</i>		

Celebrating 20 years of patient care, education and innovation

..... **Saturday, June 2, 2012 • 8:30am – 4:30pm**
Li Ka Shing Center • 291 Campus Drive, Room 230 • Stanford, CA 94305

Spring 2012 marks the 20th anniversary of the opening of the Stanford Stroke Center. The 3 founding directors of the Center, Drs. Albers, Steinberg and Marks, all continue to lead Stanford's Stroke Program into its 3rd decade. Louis R. Caplan, MD, one of the world's leading authorities on stroke, helped inaugurate the Stanford Stroke Center in 1992; he will return to present the keynote address at the 20th anniversary symposium. The morning session will highlight remarkable advances in stroke diagnosis, treatment and prevention that have occurred since the center was founded and forecast future breakthroughs in stroke therapy. During the afternoon session, Stroke Center faculty members will summarize current state-of-the-art management of both ischemic and hemorrhagic stroke. The symposium will close with an interactive question and answer session.

KEYNOTE SPEAKER Louis R. Caplan, MD, *It's the Matter that Matters*
